Expertly compiled and deftly edited by Philip Martin, "The New Writer's Handbook 2007: A Practical Anthology Of Best Advice For Your Craft & Career" is a compendium of sixty practical, insightful, informed and informative articles that aspiring writers of fiction and novice authors of nonfiction will find to be invaluable as they approach the craft and business of being professional authors. The contributors are experienced, successful, and range from award winners, to writing instructors, to working journalists, to editors, to literary bloggers, to best-selling authors. A critically important and strongly recommended addition to personal, professional, academic, and community library Writing/Publishing reference collections, "The New Writer's Handbook 2007" covers general writing techniques and marketing tips, as well as specific book project pitching tips and models for writing career success.
